

4th CATARACT EYE SURGERY CAMP

Organized by OXIGEN & SAHYOG

Under its CSR INITIATIVE

FY2018-19/ 4 /Cataract Surgery.

Oxigen & Sahyog Foundation Report on Cataract Surgeries:

Delhi, June 2018

"Returning vision to the eyes is the work of virtuousness. 1370 poor people have been undergone free cataract operation after installation of the camp by the Oxigen & Sahyog foundation during last 7 years," said Rajpal Duggal, CSR head, Oxigen Services. He Future said that the prime duty of all the people is to help the poor.

Recognizing its responsibility towards the weaker sections of our society, Oxigen & Sahyog Foundation under its CSR Initiatives organise Free Eye camps in Rural and Semi urban locations The objective is to provide quality eye care services to the poor in the slum and in rural areas.

Oxigen & Sahyog Foundation in the month of May 2018 conducted 4 eye camps in collaboration with various Hospitals and social service organizations. The patients are given the best treatment at the lowest rates and most of the time medicines are provided free of cost. Operations for cataract, glaucoma and retina are done. We fixed 18th June 2018 with the hospital and informed Patients at Village Khohri in district Alwar. 7 underwent cataract surgeries at Lions Eye Hospital on the respective date.

Precaution and medicines have been given to these patients and their next follow up is due soon.

The sequence of steps taken to screen, transport, and conduct the surgery are as follows:

- 1) The patients who come to the camp site are registered
- 2) The patients are screened to determine their eyesight problem
- 3) Those found in need of cataract surgery are tested for inter-ocular pressure

4th Cataract surgery camp details

Date- 18th June 2018

Location- Lions Eye Hospital, Delhi

No of Patients undergone surgery-15

Patients From- Village Bhatta & slum at Rohini & Tigri, Delhi

Partnering NGO- Lions Eye Hospital, Delhi

- 4) Patients are then screened for high blood pressure and blood sugar
- 5) The patients who do not have any health complications and are deemed to be in need of cataract surgery are subjected to a final screening by the ophthalmologist
- 6) Patients are then transported to the hospital by bus provided by the OXIGEN & SAHYOG Foundation
- 7) The patients are admitted to the hospital and are operated the same day.. During the surgical procedure, clouded lens is removed and a plastic intra-ocular lens is implanted
- 8) after staying for few hours, the patients are checked to ensure that there are no complications and are then transported back home.

Patients were grateful to Oxigen & Sahyog Foundation for conducting such surgeries free of cost. They are now able to feel the world once again through their improved visions. Meals and medicines were provided along with a full day's rest at hospital after the surgery. The patients are also provided with post-operative medication, colored glasses and two follow up visits. Proud to Share that Patients were very happy with surgery & the arrangements at hospital.

Oxigen & Sahyog foundation has brought a new ray of hope for the hopeless and helpless people. The patients being operated at hospital acknowledge that with the help & blessings of volunteers rendering selfless services to them more than their own kin they will be able to restore their vision back. The happiness on the faces of patients getting operated in the eye camp can be clearly seen.

Acknowledgement

We express our heartiest thanks to surgeons of Lions Eye Hospital Dr. Noopur and their teams for their honest & dedicated hard work. We would like to thank Dr. Manoj Dubey and Camp coordinator Mr. R.N Bajaj for their generosity in referring the patients and accompanying us to the hospital and continuously monitoring the situation at the hospital and ensuring they reach home safely with new vision. Special thanks to the Medical Superintendent & senior surgeon at Lions Eye Hospital who came to meet the patients while they were discharged.

"I am very happy that each one of us, privileged to be part of this grand human experience, by this unique service project".

Oxigen & Sahyog Foundation, seeks the continued patronage of corporate to transform the quality of life of the villagers into a productive one and deliver quality eye care to the rural masses and to those living in inaccessible and remote areas

We are still trying to make sense of it to all".
