

# Dental Camp

## Nayi Disha NGO, Sec. 43, Gurugram, Haryana

In continuation of human endeavor by CSR of Oxygen ser. Ind. Pvt. Ltd, Gurgaon, a free dental checkup and awareness session was recently organized at Nayi Disha NGO, Sec 43. Gurugram , A team of Specialist Dental Doctors Carried out a comprehensive dental checkup on Kids of the center and the local people from adjoining Slum

## Objectives Of The Dental Camp

- Provide Dental screening services to the community.
- Provide both preventive and curative treatment for common Dental problem.
- Refer those who require specialized treatment as necessary.
- Provide information on prevention and management of preventable dental diseases.

## Camp Venue Details

Date of Camp: 10<sup>th</sup> August, 2018

Camp spot: Nayi Disha Ngo, Sec. 43, Gurugram, Haryana

Financial support for the Camp: Oxigen & Sahyog Foundation.

Total No. of Patients Screened

76

76

□ The camp was initiated with dental awareness talk, educating people about common dental ailments, especially stressing on tooth decay and gum diseases and measures to prevent from them. The people were highlighted about the eating patterns and food choices which cause tooth decay. The Doctor also highlighted about the possible formation of harmful acid which develops when bacteria (plaque) get in contact with sugar in the mouth which ultimately results in tooth decay. “Added sugars often are present in soft drinks, candies, cookies, pastries and therefore to help control the consumption of sugar one must read the food labels and choose the right foods and beverages that are low in added sugar”, the dental surgeons added.

□ The people got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. On completion of the dental checkup each person was given a Patient Card, a report summary of the diagnosed problem and the recommended dental treatment plan.

## Achievement of the Camp

- After studying the area, we came to the conclusion that distributing the handouts and hanging banners at the various places can get more people to the camp place. It really has created the huge impact on the people.
- The camp started at about 10:00 AM.
- In all, more than 76 patients were examined out of which 58 were identified with major dental problem and Sahyog Foundation will organize a treatment camp.
- They will get all necessary facilities at minimum cost like medicines, transportation etc.
