- Provide information on prevention and management of preventable eye diseases.
- Encourage use of available nutritious food products in the area.

Free Eye Screening camp was organized In Village Dostpur Mangroli situated near Greater Noida on 29th Oct 2018. Mangroli is a rural area and is 20 KM from Noida . People residing here are poor, uneducated, don't have easy access to medical facilities and are unaware about the government facilities thus Oxigen & Sahyog CSR team decided to organize free eye camp followed up by Free cataract operation camp . Total 199 patients were examined in the free camp and 13 patients were identified with cataract and referred for Cataract with IOL and 2 for Pterygium.

89 Spectacles and 127 Eye drops also distributed to the patients.

As the camp attracted a heavy turn-out of beneficiaries, Oxigen CSR team under the guidance of Doctor and local bodies made various booths so that the screening could take place simultaneously, consuming less time.

Total No. of Patients Screened	196
No of patients to whom Medicine(eye drop) was given	155
No of Patients to whom Spectacles was given	99
No of Patients screened for cataract	23

Achievement of the Camp

In all, more than 199 patients were examined out of which 13 found with cataract problems for which Sahyog Foundation will organize an eye surgery camp as per dates available in the hospital most of patients want to get their surgeries done. during the surgery camp Oxigen and Sahyog Foundation will provided all necessary facilities like refreshments, medicines, specs, etc.
