Camp Venue Details

Date of Camp: 3rd October, 2018

Camp spot: Pravah Skill development center , Sec. 47, Gurgaon

Financial support for the Camp: Oxygen & Sahyog Foundation.

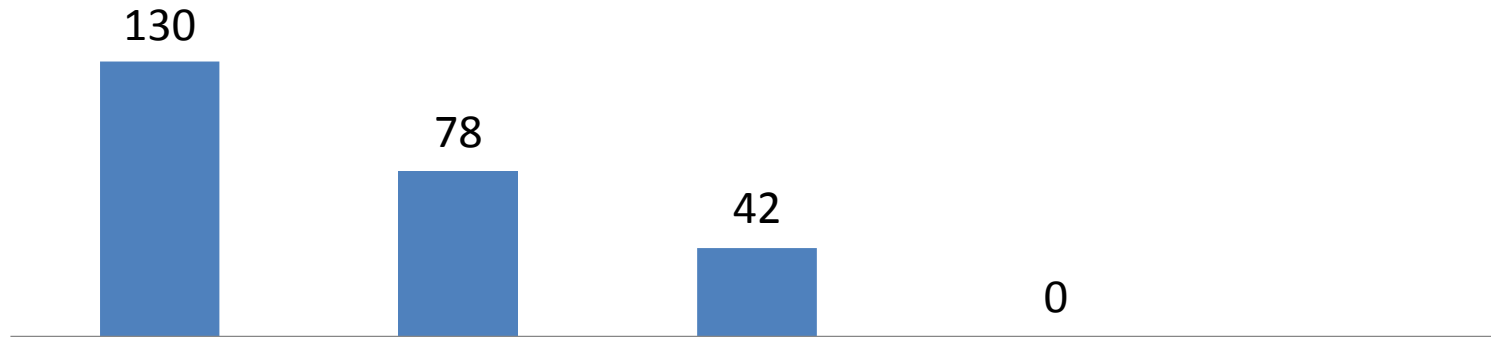

Objectives Of The Eye Camp

- Provide Eye screening services to the community.
- Provide both preventive and curative treatment for common eye problem.
- Refer those who require specialized treatment as necessary.
- Provide information on prevention and management of preventable eye diseases.
- Encourage use of available nutritious food products in the area.

Oxygen & Sahyog Foundation in its endeavors to do everything that they can to provide good eyesight to everyone, conducted another eye camp at Pravah Skill development center, Gurugram. This was done in order to create awareness about eye related disorders and also early detection, if any. On Oct 3rd 2018.130 girls along with Housekeeping staff from marginalized segment were screened during the camp . A talk session regarding eye care was also organized during the camp.

Total No. of Patients Screened	130
No of patients to whom Medicine(eye drop) was given	78
No of Patients to whom Spectacles was given	42
No of Patients screened for cataract	Nil

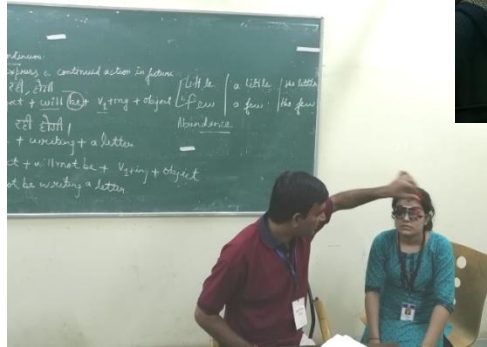

Achievement of the Camp

In all, more than 130 patients were examined out of which 45 found with low vision problems for which Sahyog Foundation provided them specs and for other problems medicines. 1 found with cataract and Shayog Foundation will organize an eye surgery camp as per dates available in the hospital most of patients want to get her surgeries done. during the surgery camp Oxigen and Sahyog Foundation will provided all necessary facilities like refreshments, medicines, specs, etc.
