

Eye Care Camp
J.J. Colony, Bawana, Delhi

Date of Camp: 24th September, 2018

Camp spot: Robin Raina Foundation Learning Center,
J.J. Colony, Village - Bawana, Delhi

Financial support for the Camp: Oxigen & Sahyog Foundation.

Objectives Of The Eye Camp

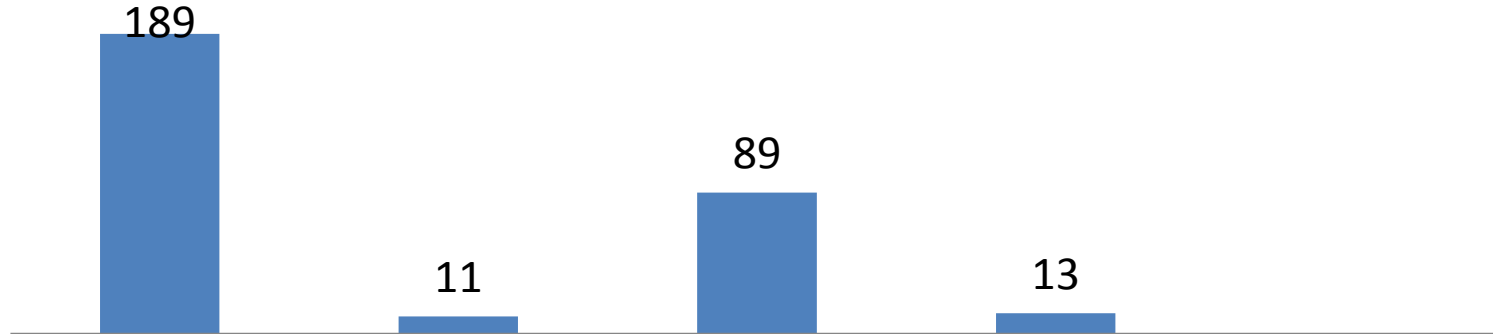

- Provide Eye screening services to the community.
- Provide both preventive and curative treatment for common eye problem.
- Refer those who require specialized treatment as necessary.
- Provide information on prevention and management of preventable eye diseases.
- Encourage use of available nutritious food products in the area.

189 people benefitted from a free eye check-up camp set up at a J. J. Colony, at Bawana slum. The one-day eye camp was organized by Oxigen & Sahyog Foundation in association with Robin Raina Foundation With the mission to provide free treatment to the needy patients, improve and restore the vision of those who require surgery and also to identify refractive errors at early stage.

Out of the 189 people who were Screened at the campsite, 13 Patients were identified with cataract. 89 individuals were identified with refractive error and provided with spectacles. 117 needy poor patients were given eye drops as per doctor's advice.

The successful event saw a huge turn-out of hundreds of people and will be a huge success when Cataract Patients will undergo the surgery free of cost

Total No. of Patients Screened	189
No of patients to whom Medicine(eye drop) was given	117
No of Patients to whom Spectacles was given	89
No of Patients screened for cataract	13

In all 189 patients were examined out of which 13 found with cataract problems for which Sahyog Foundation will organize an eye surgery camp as per dates available in the hospital most of patients want to get their surgeries done. During the camp Oxigen and Sahyog Foundation will provided all necessary facilities like refreshments, medicines, specs, etc.
