

Oxigen under Sahyog Foundation Banner organizes free eye Camp

EYE CAMP NO- 44 / FY18-19

REPORT OF FREE EYE SCREENING CAMP AT HARKEESH NAGAR SLUM, DELHI ON 22nd Feb 2019

We at Oxigen & Sahyog Foundation also organize free eye check-up camps for the slum dwellers. Since, in India the slum areas are not too hygienic and neither the people living in such areas are aware of preventing themselves from the various diseases they can suffer from due to in- hygiene. Therefore, we made our aim to educate them and provide them with knowledge to live more hygienically so that they too can lead a healthy life and prevent themselves and their families from any health issues. On Feb 22nd 2019, eye camp was organized at Harkeesh Nagar slum, Okhla. The objective of this camp is to create awareness about eye disorders and to detect refractive errors and eye ailments amongst slum community people. During the eye camp with a is aimed to increase awareness and provide access to eye care services. Generating awareness about general eye care, cleanliness, hygiene and wellness also educate community members about eye infections, fading eyesight, conjunctivitis etc. At camp site we had more than two hundred Participants attending the camp, where most of them were advised for further medical care or use of spectacles to keep the slum dwellers protected from different eye infections. We also distributed 135 eye drops and 86 spectacles to the needy persons. Majority of the attendee were suffering with Dry eye problem and were prescribed with Lubricants and home remedy to overcome the issues.
