

Eye Care Camp
Munirka, Delhi

Camp Venue Details

Date of Camp: 25th January, 2019

Camp spot: Munirka J.J. Slum, Delhi

Financial support for the Camp: Oxigen & Sahyog Foundation.

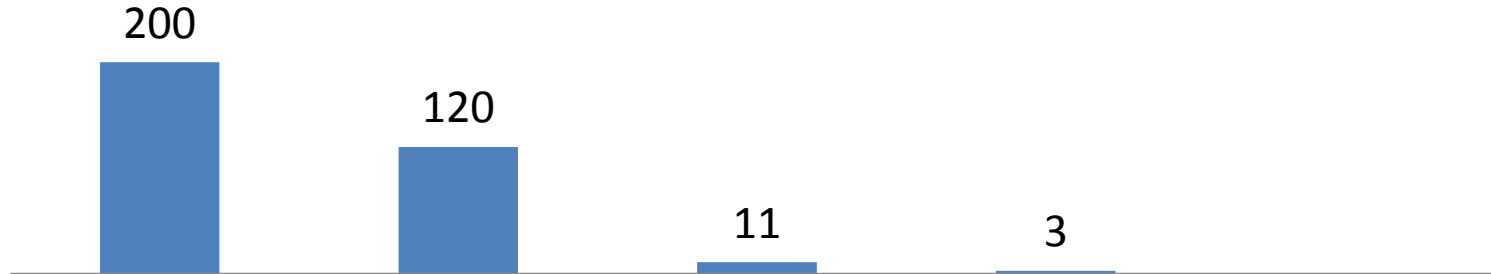

Objectives Of The Eye Camp

- Provide Eye screening services to the community.
- Provide both preventive and curative treatment for common eye problem.
- Refer those who require specialized treatment as necessary.
- Provide information on prevention and management of preventable eye diseases.
- Encourage use of available nutritious food products in the area.

Oxigen and Sahyog Foundation had a way to celebrate Republic day with a gift of Free Eye Screening camp for the Children at an NGO and Slum dwellers of Munirka (mostly the dwellers are beggars , rag picker's or small vendor) on 25th January, 2019. The camp was organized at 'Spread a smile NGO' which is working very hard for these children. 200 plus kids and local residences were screened and were handed over with Spectacles and Eye drops as required.

Total No. of Patients Screened	200
No of patients to whom Medicine(eye drop) was given	120
No of Patients to whom Spectacles was given	112
No of Patients screened for cataract	3

Achievement of the Camp

In all, more than 200 patients were examined out of which 3 found with cataract problems for which Sahyog Foundation will organize an eye surgery camp as per dates available in the hospital most of patients want to get their surgeries done. during the surgery camp Oxygen and Sahyog Foundation will provided all necessary facilities like refreshments, medicines, specs, etc.
