

Eye Care Camp
Tigri, Delhi

Camp Venue Details

Date of Camp: 25th March 2019

Camp spot: Adharshila NGO, Tigri, Delhi

Financial support for the Camp: Oxigen & Sahyog Foundation.

Objectives Of The Eye Camp

- Provide Eye screening services to the community.
- Provide both preventive and curative treatment for common eye problem.
- Refer those who require specialized treatment as necessary.
- Provide information on prevention and management of preventable eye diseases.
- Encourage use of available nutritious food products in the area.

A free eye check-up camp was organized for local slum dwellers at Tigri slum, Khan pur on March 25th, 2019 .

The camp was organized at local NGO vocational training center.

More than 210 slum dwellers from Tigri slum and nearby village Devil benefited from this noble initiative of Eye screening. Patients underwent eye check-ups by the team of specialist doctor and were given consultations, medicine and spectacles free of cost. 117 Eye drops and 87 Spectacles were distributed to the one requiring them at Camp site only. 9 patients had been identified with cataract and those willing for Cataract Surgery will be admitted to Lions Hospital for further check-up and IOL/ Phaco surgery free of cost. In between the camp team organized for an educational session to provide them with knowledge to live more hygienically so that they too can lead a healthy life and prevent themselves and their families from any health issues. The Camp was well appreciated by the slum dwellers and requested us to organise one more camp soon so that the one who couldn't be screened gets a chance.

| | |
|---|-----|
| Total No. of Patients Screened | 170 |
| No of patients to whom Medicine(eye drop) was given | 113 |
| No of Patients to whom Spectacles was given | 48 |
