**Date of Eye Camp: September 23<sup>rd</sup>, 2019. Timings- 10.30am- 3.30pm**  
**Eye Camp spot; Village Dandhariya, Neemrana, Rajasthan**  
**Financial support for the Eye Camp: Oxigen & Sahyog Foundation.**

### **Eye camp no-29/FY19-20**

Village Dandhariya Neemrana: Sahyog Foundation organized comprehensive Eye Screening camp for people of village Dandhariya on September 23rd 2019.

The Camp was organized with goal to create a positive and facilitative environment for positive health seeking behavior in the under privileged sections so that early identification and treatment of 'Avoidable Blindness' is made possible.

The camp provide preventive, primitive and curative health services on eye care by involving screening that will help in timely identification of the cases and timely treatment as well. All identified surgeries will be supported by the Sahyog Foundation..Through this initiative the Sahyog Foundation is contributing towards the 'Vision 2020'.

The eye camp was held at Village Chaupal which was attended by more than 180 men, women and children of the village. Out of these 109 patients were provided free medicines/eye drops, 83 with weak eye sight were provided with spectacles and 19 persons, diagnosed with cataract, would be operated at Lions Eye hospital, Delhi in Second week of October. The villagers were happy and expressed their gratitude to the Sahyog Foundation CSR team & Management for providing them medical care free of cost at their doorsteps.
