

Eye Care Camp

A Report...

Date of Eye Camp: September 13th, 2019. Timings- 10.30am- 4.30pm

Eye Camp spot: Bandhwari Village, Chaupal, Gurugram

Financial support for the Eye Camp: Oxygen & Sahyog Foundation.

Eye camp no-27/FY19-20

More than 175 people were screened for various eye related disorders during a free eye camp organized by Oxygen & Sahyog foundation at Bandhwari a remote village almost 12 kms deep inside from Gurugram on 13 September 2019.

Poor and needy people from three nearby villages had come to avail the benefit of the free medical camp. The camp, aimed at providing free treatment to the poor villagers suffering from eye related disorders also brought awareness among them about diseases that lead to vision loss.

Along with free consultation, free medicines and eye drops were distributed to patients. Of the people screened, a total of 14 people were referred for surgery to correct cataracts.

71 Spectacles and 92 eye drops were distributed to the all prescribed with.

The people who attended the camp were thankful to the for providing them free eye check-up and awareness.
