Eye camp no-6 /FY19-20

Oxigen & Sahyog foundation in partnership with Local NGO Adharshila at Village Gwal Phari on May 13th, 2019 held a free eye medical camp at Masterji Health & skill Centre, where over 200 local people received various eye screening services provided at the medical camp free of charge. The team examined 185 people for eye conditions, 72 people with reading problems were provided with reading glasses and 130 people were provided with eye drops for various eye conditions, 6 identified with Cataract were motivated to get surgery done in near future and 9 people were referred to hospital with various conditions for further treatment.

Medical Camps leave a significant impact in terms of providing better healthcare in our society, especially children and women in the Village.

The eye camp gives free eye screening to people in need and provide them with the care that they need thereafter.

The Project Director from Adharshila who attended the eye medical camp thanked Oxigen & Sahyog Foundation "When things seemed the darkest for the people living with eye problems in this village, you have come to help us bring hope and a future. You have sponsored reading and near-sighted glasses that have changed the lives of so many students and adults living here

in Gwal Phari and beyond, so we thank you and look forward for more Support & partnership with Oxigen & Sahyog Foundation ,” said Ms. Babita .
