Eye Camp

Oxygen & Sahyog Foundation organized 4 Free Eye Screening Camp in collaboration with Local NGO's & Sarpanch in the month of April 2019 for the slum dwellers & Villagers in different States. Special attention was given in this camp, to Old people, Women and children patients as they are the most vulnerable ones. Already aware of the activity through an awareness session the patients walked in with a smile to have their eyes tested.

Process goes as -completing the formalities at the registration counter, followed by checking of eye power, (both short and long), then a consultation with the doctor, then according to the diagnosis- blood pressure measurements and a potential sugar check-up, determination of the patients who require

correction glasses.. For the patients who required cataract surgeries, they were advised to take a personal round of counseling where they were explained in detail how the surgery will happen, where they would be taken, and how best to deal with it personally and

Total beneficiaries in all:- 200 women

Believing that No gift could be better than the gift of sight, Oxigen and Sahyog Foundation in association with Lions Eye Hospital organized free Cataract surgery camp at Lions Hospital on 18th April 2019 . The surgery camp was organised after three eye check-up, treatment and cataract surgery screening camps at Sonapat & Rajasthan villages and Noida slum in March and April 2019. Nearly 600 eye patients visited the camp sites. Of these, 35 patients were identified for cataract surgeries and 16 of them interested for surgery came to Hospital for the procedure on 18 th April 2019. 14 Successful free cataract surgeries were done after Free diagnosis and treatment facilities were made available to poor patients. The camp was followed by distribution of Free Medicines & Black Eye glasses for the patients to protect their eyes from direct sunlight and to prevent other infections as a post operative care. The camp was held at the hospital and the patients have eye care services at the doorstep of their homes, otherwise couldn't afford the same.

Beneficiaries in all:- 15

Gyantatra Digital Dost Project _ New Project FY 2019–2020

To add Feather in the cap In Fy 2019–2020 Oxigen & Sahyog Foundation took new perspective and supported a new project Gyantatra Digital Dost (GDD) which is an innovative PC based, interactive learning tool, which is addressing the learning gap widely prevalent in the early grade schools across India, in a cost effective and scalable manner. This unique virtual teacher is able to hasten the learning process and promises to not only bring child's reading ability at an age appropriate level but also settle the child in an age-appropriate grade at the end of the intervention period. Realising that Over 50% of the class 5 students in the country are not able to read even at the grade 2 level. Based on its innovative engagement methodology, GDD will transformed the conventional classrooms into student-centric advanced learning center.

Adopted 108 Girls from Std 5th at Govt. Primary School Sarhaul, Gurugram
