

## **International Literacy Day Celebration**

**At Govt School, Sarhaul village**

Every year International Literacy Day is celebrated on 8<sup>th</sup> September globally to raise awareness and remind people of the importance of literacy as a matter of dignity and human rights.

Oxigen & Sahyog Foundation celebrated International literacy day at Government School Sirhul village on Monday 9th September 2019. CSR team celebrated the day by distributing books and stationary items to the girls of standard 5. CSR

team visited the School and shared with the kids, the importance of education in achievement of bright future. The Team motivated the students to set a goal for their career and work hard for it, after the address they organized a Drawing competition and distributed books and stationary among all the participants .The Principal of the school extended a warm welcome to the team of

Oxigen And congratulated the Oxigen management for their efforts in making the event successful. Around 120 students were gathered in the computer room of the school and each one of them was called one by one to collect the stationery item.

While talking about literacy day, Mr. Rajpal S.Duggal, Oxigen CSR head said, “Education is the most important element for the overall development of personality of an individual and everyone must have the right to basic education. Celebration of International Literacy Day gives us the opportunity to understand the importance of literacy in laying the foundation for human development.” “Kids are the future of the country. Today with distributing books and stationary items among these kids is our way of symbolizing the importance of education and to encourage their parents to make education of their child a priority”, he further added.
