

INTERNATIONAL WOMEN DAY 2020 CELEBRATION

जिंदगी की जुस्तजू में जिंदगी बन जा मत कर तलाश रोशनी की खुद रोशनी बन जा

Saluting women's contribution to the society, we celebrated International Women's Day with the Women's of Budh Vihar slum at the local Ngo .The occasion commemorated by lighting lamp by our distinguished guest Ms.Deepti Jain .Our guest emphasized on realizing our worth and motivated us to achieve our actual potential. In her Speech she made women aware of various social evils, be it drug addiction, female feticide, child rights, child marriage, domestic violence or even cleanliness.

Not only this, the programme emphasized the role of women in eradicating these social evils. Around 90 Women participated in the programme which highlighted on a less-celebrated aspect of womanhood – a role woman has been playing for ages but has always been overlooked and taken for granted.

The fashion show which included a Ramp walk round was an exciting event of the day. It was awesome celebration with awesome Women; It is Our responsibility to empower them, Definitely they will empower in all aspects.

Five Women selected from the community were felicitated for their extraordinary contribution to the Society.

By the end of the programme, some of the women agreed to form a committee of women workers for finding solutions to societal problems affecting them. They emerged as a united force to take the challenges head on. This is what they have learnt during the event, a lesson they will never forget.
