Oxigen & Sahyog Foundation Report on Cataract Surgeries:

Delhi, December 2020

NEW DELHI: Eye problems, like many other health issues, often go untreated in India. Be it poverty, difficulty to access healthcare, negligence towards the elders, due to absence of escorting and poor awareness in the community many of the patients were blind for the last few years. Surgical eye camps in remote areas are necessary for the coming years and which is the major solution to eliminate avoidable blindness in this region.

Meanwhile cataract (clouding in the lens of the eye), can all too often lead to blindness if untreated. The impact on lives is devastating; especially in a country where many people face a daily struggle to survive. Eye surgery can have a huge impact on the lives of patients, improving their ability to live a dignified and healthy life. Oxigen & Sahyog foundation has successfully completed two more Cataract surgery camp, aimed at giving Marginalized population back their sight. On December 26,2020 Oxigen CSR working together with Lions Eye hospital cataract helped 4 patients getting their vision back these patients were identified during the camp organized by Sahyog in the month October and November 2020 All the four of the patients were operated at Hospital keeping all the Government guidelines in order . We would like to express our cordial thanks to Lions Hospital, Delhi and Its Doctors and Paramedical staff, for their appreciable support to eliminate avoidable blindness in marginalized communities.

Patients were grateful to Oxigen & Sahyog Foundation for conducting such surgeries free of cost. They are now able to feel the world once again through their improved visions. Meals and medicines were provided along with a full day's rest at hospital after the surgery. The patients are also provided with post-operative medication, colored glasses and two follow up visits. Proud to Share that Patients were very happy with surgery & the arrangements at hospital.

Oxigen & Sahyog foundation has brought a new ray of hope for the hopeless and helpless people. The patients being operated at hospital acknowledge that with the help & blessings of volunteers rendering
