It is alarming that 282 million people worldwide have abnormal vision and 14% of them are completely blind. Also of concern is the fact that 90% of visually impaired people live in low-income settings. Oxigen & Sahyog Foundation under CSR Initiatives is on a mission to improve the eye sight of such needy communities and prevent blindness among them.

IRCH AIIMS MSW Department frequently approach Sahyog foundation to help and support Poor Cancer patients with their Medicine , Protein supplement , Food for cancer kids etc and Sahyog foundation from their funds or fund raising / donation try to help them the best they can do .This time they approached Sahyog Foundation to provide cancer patient with a assistance device- Inclined Wheel chair as the patient is suffering from Spinal cancer and can't even sit . His family was facing problem to even take him to AIIMS Department for treatment as every time they have to carry him on the Shoulders. Team coordinated and is very thankful to FOD for helping his poor patient with the Chair . Family is happy and are thankful to the Organization for this Support as the Chair is very Expensive and no one was willing to help them.
