It is alarming that 282 million people worldwide have abnormal vision and 14% of them are completely blind. Also of concern is the fact that 90% of visually impaired people live in low-income settings. Oxigen & Sahyog Foundation under CSR Initiatives is on a mission to improve the eye sight of such needy communities and prevent blindness among them.

Women's Day Celebration

Women health, awareness and understanding of menstrual hygiene was the key for the day March 8th 2021 i.e. "International Women's Day 2021.

- The theme for this year's International Women's Day is #ChooseToChallenge. It indicates that a "challenged world is an alert world, and from challenge comes change".
- A session organized at Sanjay Colony, Delhi , which wasn't just on the topic of menstruation. Our idea was to make it something one could openly discuss, without feeling humiliated or embarrassed.
- More than 75 women from the area and around enthusiastically attended the program and got a Sanitary napkin packet after the session .
- Why should one be ashamed to talk about something that is a biological process?

General Health Check Up Camp

With the aim to administer Health Assessment, spread Health Awareness and provide Health Counselling a general health check up Two camps were organized at **Gurugram & Village in 3, 2021**. In the camp, proper medical treatment of the people was done by MBBSS Doctor and remedial measures were provided, all free of cost, including the basic medicines required for an early recovery. Residences were very happy to get the free health service at doorstep and were enquiring about the next date for the camp.

This camp was a prime example of how the community can be served appropriately if we are interested.
