

General Health Check Up Camp

*Asola Village, Delhi
March 3, 2021*

With the aim to administer Health Assessment, spread Health Awareness and provide Health Counselling a general health check up camp was organized at **Jhanda colony, Asola village on March 3, 2021.**

In the camp, proper medical treatment of the people of Jhanda colony and nearby area was done by MBBSS Doctor and remedial measures were provided, all free of cost, including the basic medicines required for an early recovery.

Pure India volunteers accepted the task of taking down the details of the people who came for this health check-up. After that, they

were sent to the doctor where they were appropriately given the right directions regarding their health. The doctor carefully listened to the problems the patients were facing and provided an appropriate solution to curb it. Majority of the people were suffering from chronic back pain, knee pain, swelling joint, acidity, body pain, fever, cough and cold and high/low B.P. people were encouraged by Doctor and Para Medical staff to do simple activities on a regular basis to get rid of the excessive body pain

Around 100 people of different age group from one year old child to 71 year old Men visited the camp site and availed the services. Everyone got Five days medicine and one requiring follow up were provided with a contact no to call and Consult. Residences were very happy to get the free health service at their door step and were enquiring about the next date for the camp. This camp was a prime example of how the community can be served appropriately if we are interested.
