

## WOMEN HYGIENE DRIVE

**WHAC/7/2020-2021**

**Near Community Center, Sanjay Camp**

**October 8<sup>th</sup> , 2020**

### Empowering women through Education & Training

Understanding the hardships faced by Women & girls during their period and to have access to products that ensure proper menstrual hygiene irrespective of the social structure Group of Friends Welfare Trust Organized an awareness session at Sanjay camp .

Through community meeting, workshop, individual & group counseling which include inter-personal communication, awareness was created amongst women & adolescent girls of community about different aspects of reproductive health and menstrual hygiene .The program was actively participated by more than 55 community women and adolescent girls and the session was concluded with questions & answers followed by Free Distribution of Sanitary Napkin packet to each one attended the session .
